

FUTURE CATEGORY

Fruits & Vegetables

A future fresh-produce category connecting Indian growers with wider markets.

Fruits and vegetables are a planned future Navora Global category. Fresh produce requires attention to seasonality, grading, handling, packaging, storage, transport and supply-chain timing. Individual products and sourcing regions will be published only when confirmed.

SPECIFICATION

Origin	India
Minimum order quantity	Available on enquiry
Shelf life and storage	Not confirmed

Certifications

No certification is currently published for this product. Certification claims are published only when Navora holds current evidence relevant to the named product and supplier.
